

Dierenhotel 't Gooi

HOTEL – INFORMATION

Cat vaccinations

At Dierenhotel 't Gooi, we only take in pets that have been fully vaccinated, given the need to protect the health of our guests and our staff.

NB

- When you bring your pet to us, you are legally obliged to hand over a vaccination booklet or animal passport that lists the vaccinations.
- If your pet's vaccinations expire during the planned stay in Dierenhotel 't Gooi, we regret we are unable to accept your pet.
- The vaccinations must have been administered longer than 14 days before the start of the stay.

Mandatory cat vaccinations

- **Cat flu**

This vaccination only provides protection for **six months**. It is therefore important to vaccinate cats twice a year against cat flu.

- **Feline panleukopenia virus**

This vaccination provides protection for 3 years if a primary vaccination has already been administered

(2 vaccinations with a 3-week interval and not longer than 3 years ago)
